## THE PROOF OF VALUE

Lies Only in Actual Results Accomplished. Nuxcara is of Tried Worth.

After all, results are the things that really count. Therefore we quote from a few of the many letters we have received from prominent citizens who are grateful for the relief Nuxcara has given them for their suffering. These are proof positive of its value. Read them.

Mr. Richard Whiting, connected with Uncle Remus Magazine, Atlanta, says: "I consider Nuxcara the greatest remedy on earth for indigestion and dyspepsia, in fact, the only certain cure I have ever heard of, and I have been hunting remedies for several years." Dr. Frank Edmondson, of Frank Edmondson & Bros., Druggists, Atlanta, says: "In the 25 years that I have been in the drug business, I have never seen a remedy that gave such universal satisfaction as Nuxcara for indigestion and dyspepsia." Mr. J. N. Renfro, of the United Gas Works, Philadelphia, says: "Dr. Kelly's Nuxcara is the only permanent and certain cure for dyspepsia."

If you have any of the common symptoms of stomach trouble (heart-burn, sick headache, languor, sour stomach, nausea, giddiness, bad breath and nervousness) cure yourself easily and cheaply by using this standard remedy. Write for it to the Nuxcara Co., Atlanta, Ga., or get it at
